## FACIAL COMPARISONS AND IDENTIFICATION FOR VISUAL INFORMATION SPECIALISTS

---

### NEW CLASS!

Announcing a 40-hour class in forensic art.  
Monday through Friday 8:00 AM-5:00 PM.

**May 3-7, 2010**

Hosted by the

**Teaneck Police Department**

Teaneck, New Jersey

With today's technology and video surveillance, there are numerous computer-savvy professionals and innovative programs to aid in developing digital information on unknown suspects. What is needed is for people trained in facial identification to make the mug-to-mug, mug-to-surveillance, and

surveillance-to-surveillance matches. This intensive, 40-hour course will introduce the visual information specialist to the biometric world as an interface that will aid in leading to identification.

#### **Course Content:**

- Survey of available programs and professionals
- Composite-to-mug, and mug-to-composite identifications.
- Mug-to-mug identifications.
- Surveillance-to-mug, and mug-to-surveillance identifications.
- Surveillance-to-surveillance identifications.
- Image modification: the effects of Methamphetamine on faces.
- The muscles of the face, location, and effects

**Enrollment information:** Prerequisite: Composite Drawing for Law Enforcement. Class fee: \$695. Fee includes workbooks, handouts, and materials. There is a supply list. This is a limited enrollment class. Early registration is encouraged. For more information and to enroll:
